## Guidelines for Presentations

*The following are some guidelines you might consider in making your presentation.*

- Glass Selection
- Does your design come alive or show that the artist put some of his/herself into the work?
- Entries should be of sturdy construction with reinforcement where appropriate.
- Leaded panels must be puttied/cemented.
- Framing should be adequate - enhancing and supporting the panel.
- Entries should be properly cleaned.

### **Demonstrations:**

We intend to have ongoing demonstrations during the show. We will be there everyday during Gottschalk's open hours (10 -7). If you would like to help at our booth, please indicate on the back of this form, the days you could help.

### **Selling Your Entries:**

If you wish to sell your entry, you must let us know the high and low prices that are acceptable to you. We will endeavor to get the highest price. A commission of 15% will be charged by My Glass Shop.
